

# Sandfield Close Primary School

## School Improvement Priorities 2026-27– 1 page summary

| <b>Priority 1 - Strengthening the teaching of foundational skills across the core curriculum</b>                                                                                                                                                                                                                                      | <b>Priority 2 - Strengthening Inclusive Quality First Teaching</b>                                                                                                                                                                                                                                                                                                                                                                        |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Improve the quality of teaching across the school by ensuring that foundational skills and vocabulary in Reading, Writing &amp; Maths are explicitly taught, systematically sequenced and securely embedded, enabling all pupils to build the essential knowledge required for future learning and sustained academic success.</p> | <p>Improve the quality &amp; consistency of inclusive quality first teaching across the school by developing staff knowledge, skills &amp; practice in adaptive teaching. This will ensure that all pupils, particularly those with SEND, disadvantaged pupils &amp; those with other barriers to learning, access an ambitious curriculum. Make strong progress from their individual starting points and achieve improved outcomes.</p> |
