

Sandfield Close Primary School - PSHE

Vision Statement:

At Sandfield Close, our teaching of PSHE/RHE helps provide pupils with opportunities to become healthy, safe, independent, responsible members of a society who demonstrate respect and tolerance and appreciate what it means to be a valuable member of an ever-changing diverse society within Britain.

Our aim is to help children to aspire to be the best that they can be; to have dreams for their future; and to know what is required to acquire those skills. We want to help pupils to have a good understanding of themselves, to have empathy, to work well within a team and maintain positive relationships treating everyone equally with tolerance and respect.

We want to provide children with an age-appropriate understanding of healthy relationships, and we want to teach our pupils about personal safety (online and off-line). We also want to ensure that our pupils know where and how to get help if they need it.

As pupils work through each year, we hope to help them to become resilient and confident members of society so that they are ready for the transition to secondary school.

National Curriculum Aims:

The national curriculum states that:

- All schools should make provision for personal, social, health and economic education (PSHE), drawing on good practice. Schools are also free to include other subjects or topics of their choice in planning and designing their own programme of education.
