

Topic

Geography

We will be looking at what life is like in the Alps by looking at their location on a world map; locating three physical and three human characteristics in the Alps; investigating Innsbruck; using data and mapping routes and thinking about the human and physical geography aspects as well as comparing these to our own local area.

History

We are going to be learning all about the Anglo-Saxons and the Vikings by looking at the key threads of: Timeline, settlement, society, power and legacy.

Art & Design

In art this term, Bat Class will be looking at sculpture and interactive art installations. We will learn about the installation artist Cai Guo-Qiang and creating a piece of installation art of our own sing skills we will practise over the course of the unit.

Design Technology

Design Technology for the Autumn term will be adapting and preparing a Bolognese recipe. The children will also have the opportunity to reinforce their science work on electricity and circuits by investigating and constructing 'Doodlers'.

What are We Learning in Year 5 during the Autumn Term?

Computing

Bat Class will be looking at computing systems and networks as well as ways of sharing information. We will also be looking at vector drawings and creating our own.

PSHE/RSE

We will be looking at what it means to 'Be Me In My World' as well as discussing and celebrating our differences.

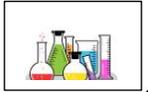

PE

We are fortunate enough to be able to have swimming lessons every week throughout Year 5 as well as starting the year spending time learning football skills with LCFC.

Science

Science is a combination of knowledge and understanding and the skills of being a scientist. This term we will look at the properties and changes of materials this will build on our work previously of solids, liquids and gases. We will also learn about the Earth and space . Children will learn new vocabulary and have lots of opportunities to use it.

Spanish

This term in Spanish we will be learning all about presenting myself (Me presento) where the children will create sentences using a range of personal details including their name, age, where they live and their nationality.

Music

In Year 5, the children will learn about different types of musical notation linked to Ancient Egypt. They will also learn how to recognise and play the 12 bar blues.

Religious Education

We will be looking at how Muslims worship and exploring the special days and festivals that are important to the Muslim Faith.
