

## Sandfield's Science

*Sandfield's science is going well when children are encouraged to be curious lifelong learners with an interest in the world around them.*

*Science should...*

*Promote questions*

*Be practical*

*Be outside*

*Relate to the real world*

*Be cross curricular*

*Have misconceptions addressed*

*Use key vocabulary*

*Have confident teachers*

*Have children who enjoy and want to know more.*

*Agreed by Staff November 2018*

*Review date Autumn 2019*
